Features & Benefits:

Introducing BVIZ 3 : winner of the Professional Builder Top Product Award 2020. This style like its brothers BVIZ 1 & 2 are prime examples of the top quality innovation and design creativity associated with the BUCKBOOTZ brand. Like no other S3 safety dealer boot around, BUCKZ VIZ breaks new ground using hi visibility side stretch elastic with 360 degree reflective inserts linked to a premium leather upper. In all aspects of working life whether indoors or outdoors, safety is paramount and the requirement to be seen particularly while there is moving machinery and vehicles is essential. The design creativity has ensured that there is a subtle balance between safety consciousness and overall good looks! BVIZ 3 is light weight, breathable, metal free and fully waterproof. These boots are suitable for all seasons and lighting conditions.
