## Beeswift Training Appointed Persons in the Workplace (VTQ) Level 2 Course

### INTRODUCTION TO APPOINTED PERSONS IN THE WORKPLACE LEVEL 2

This online Appointed Persons in the Workplace (VTQ) course is designed to encompass workplace first aid training for staff members seeking basic first aid knowledge. It's also suitable for small businesses not necessitating a fully qualified first aider and can provide valuable support for medium to large enterprises.

The course content strictly adheres to the HSE First Aid at Work Regulations and includes material in line with the UK and European Resuscitation Council Guidelines.

The Appointed Persons qualification is entirely conducted online and imparts fundamental first aid understanding to employees.

It's an ideal choice, aligning with HSE recommendations for annual first aid refresher training. This VTQ qualification remains valid for three years and can be renewed by re-taking the online course.

All our courses, including this one, have received independent certification confirming their alignment with universally accepted Continuous Professional Development (CPD) guidelines.

Upon completion, participants receive a Certified CPD Statement, a ProTrainings Certificate, and for online courses, an Evidence-Based Learning statement.
