

JCB Workwear Trade Hooded Softshell Jacket

The heavyweight softshell jacket provides warmth and comfort. Worn two ways, with or without a hood which is detachable. Underarm zips allow breathability when working through the day. To allow movement when working the fabric composition contains 8% spandex to accommodate 4 way movement. Fleece lined inner for warmth. Side zipped pockets and adjustable cuffs for practicality with additional multi-functional inner pockets. Find your perfect comfort and fit by adjusting the bottom hem drawcord and cuffs.
