

JCB Workwear Fastrac Boots

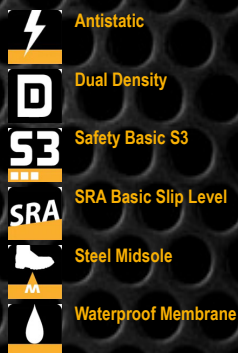

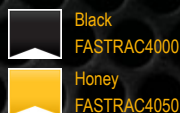

Product Code

FASTRAC

Available in Sizes

03 - 13

Available in Colours

The newest style to join the JCB Safety Footwear Range, these FASTRAC boots have a safety rating which conforms to the new EN ISO 20345:2022 standard.

They are completely metal free, waterproof and they have a cold insulating lining.

The external toe and heel protection add more durability for heavy duty outdoor working environments.

The sole is slip resistant and also fuel & oil resistant. This style is perfect for working outdoors. Available in honey and black.
