DATASHEET

BEESWIFT PADDED BAFFLE JACKET

The Beeswift Telford Padded Baffle Jacket delivers dependable insulation without the weight, combining a sleek profile with hard-working performance. Crafted from a durable 300T polyester outer shell and fully lined with lightweight taffeta padding, it's designed to keep you warm and mobile in cold, changing conditions.

The stand-up collar, full-length internal storm flap and chin guard offer added protection from wind and weather, while the elasticated cuffs and hem ensure a secure, draught-free fit. A robust metal front zip with soft-touch pullers adds both function and finish. Secure zipped side pockets and internal compartments provide practical storage, with spare green zip pullers included for easy personalisation.

Packable in its own weather-resistant storage bag, the Telford Jacket is ready when you are, on site, on the go, or on the job.
