DATASHEET

PureLite Xstream Agricultural Pack

- A self-contained lightweight Powered Air Supplied Visor system providing all in one protection against dust, fumes, and particulates, combined with eye and face protection against liquid splashes.
- The integrated re-chargeable nickel metal hydride (NiMH) battery pack delivers a supply of clean air via a pair of particulate filters for up to 8 hours of continuous use.
- 210 litres/minute airflow.
- Low flow warning at 150 litres/min.
- 8-hour battery.
- Air flow indicator pre-checks battery, filter performance and condition.
- Polycarbonate face shield with nylon elasticated face seal (tinted and clear face shield overlays available)
- Lightweight 1.0kg with easily adjusted headband to fit a range of head sizes and for wear overprotective clothing and hoods.
- BS EN 12941:1999 Protection Level TH2P
- EN 166:2002 1B3
