S-4L

S4® safety cutter, the industry leader in carton cutter safety reduces worker injuries, workers compensation claims by up to 85% and minimizes or eliminates merchandise damage (shrink), saving company's thousands of dollars. To help you implement your safety cutter program, training materials and posters are available to maximize the benefits and enhance productivity.

- S4 is fine tuned to make box cutting easy, safe and comfortable
- The guard also serves as a guide for executing the perfect cut every time, turning even a new-hire into an expert cutter instantly
- The unique angle of the blade is set specifically to avoid damaging the contents within the box
- For better retention, use with corresponding UKH-423 Safety Holster and CL-36 Lanyard

Features

- The fixed steel guard will not flex, bend, or break like other cutters and is designed to protect the user
- The versatile S4 has three blade depth positions to increase efficiency; Top cut, shallow tray cut and deep cut
- Users also find that utilizing the heavy duty tape splitter while opening boxes further prevents injuries and extends the life of the blades
- Comfortable ergonomic design
- Tool free blade change
- Includes one SP-017 Safety Point Blade
- Holds 5 additional blades
- The S4 Safety Cutter is sold in green for right-handed users and red for left-handed users
