The S4S Self-Retracting Safety Cutter features a safety point blade that retracts once the cut is completed

This innovative cutting tool reduces costly razor blade injuries and prevents damaged product. It makes box cutting easy, safe and comfortable.

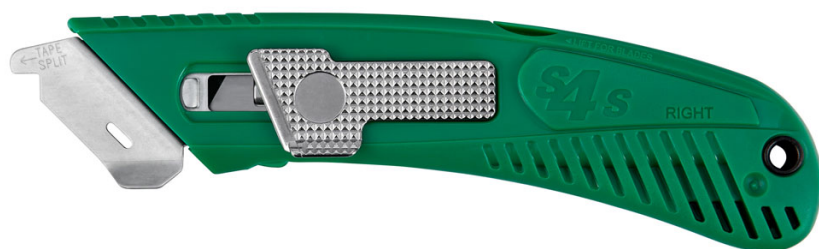

The guard also serves as a guide for executing the perfect cut every time, turning even a new-hire into an expert cutter instantly.

Users also find that utilizing the heavy duty tape splitter while opening boxes further prevents injuries and extends the life of the blades.

Use with corresponding UKH-423 Safety Holster and CL-36 Lanyard.
