## Beeswift Flex Womens Softshell Jacket

**FLEX®**

The Beeswift Flex Women's Softshell Jacket blends everyday functionality with a flexible fit. Crafted from high-stretch, water-repellent and windproof fabric, it's built to move with you, offering lasting comfort, protection, and flexibility throughout the working day. Reinforced fabric at the elbows enhances durability where it's needed most, while softshell side panels stretch and contour for a close, comfortable fit that doesn't compromise on performance.

The medium-weight design is ideal for layering, with a warming fleece-lined snorkel collar that seals in heat when temperatures drop. Thoughtful details like soft-touch zip pullers and a contrast zipped chest pocket add a touch of style, while multiple practical pockets offer secure storage on the go. Whether you're navigating a busy site or taking on the day's demands, this jacket supports every move with confidence and ease.
