

A106 - Grip 10 Latex Reinforced Thumb Glove (Pk 12)

Collection: General Handling

Range: Hand Protection

Materials: Polyester, Cotton, Elastic

Dipping:

Outer Carton: 12

Product information

Introducing the ultimate construction glove: the embodiment of durability and reliability. With a reinforced thumb crotch, this glove surpasses all expectations. It boasts exceptional longevity, lasting up to four times longer than non-reinforced gloves, ensuring it stands strong through the toughest tasks. The crinkle latex coating not only provides outstanding grip but also guarantees durability and control in both wet and dry conditions.

General Handling

The general handling and grip glove category is one of the most popular collections within the Portwest hand protection range. A carefully selected range of coatings, including latex, nitrile, polyurethane and PVC, provides a broad range of styles suited to a diverse range of tasks.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
