

A402 - Grip PVC Sandy Double Dipped Glove

Collection: General Handling

Range: Hand Protection

Materials: Cotton

Dipping:

Product information

Built for tough work environments, this double-dipped PVC gauntlet glove offers maximum liquid repellency and a sandy palm finish for enhanced grip. The cotton flock lining and natural cotton fabric ensure comfort and absorb perspiration during extended wear. With contact heat protection up to 100°C and an ergonomic design to reduce hand fatigue, it's both practical and protective. The canvas safety cuff adds extra wrist protection, while the antimicrobial Texpel Micro finish kills 99.9% of bacteria. Easy to put on and take off, this glove is ideal for demanding industrial applications.

General Handling

The general handling and grip glove category is one of the most popular collections within the Portwest hand protection range. A carefully selected range of coatings, including latex, nitrile, polyurethane and PVC, provides a broad range of styles suited to a diverse range of tasks.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
