

APR12 - SG Grip 15 Nitrile Glove (Retail)

Collection: SG

Range: Hand Protection

Materials: Recycled PET Polyester, Nylon, Elastic

Dipping:

: 12

Outer Carton: 240

Product information

The APR12 glove comes in in retail ready packaging. It is made with recycled 15-gauge PET yarn with moisture management to keep hands dry and comfortable. It features touchscreen-compatible index and thumb fingers and a unique knit with a lowered little finger for a snug, comfortable fit. With a low carbon footprint compared to nylon, polyester, and cotton, it also has a breathable micro-foam nitrile coating with a micro cup structure for superior grip and an ultra-thin finish for enhanced sensitivity.

SG

Made from recycled plastic bottles and consuming less water, less energy during production; the SG hand protection collection encompasses safety, durability and functionality.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwest's extensive range of Hand Protection products....
