Product information

The EV4 Stretch Holster Trouser offers an enhanced ergonomic design, featuring water resistant fabric at the lower leg. With a high-rise back waistband and side elasticsation, it provides excellent protection in all working positions. The trousers include pre-bent, side-loading adjustable knee pad pockets, spacious front pockets, and versatile zip thigh pockets for secure storage of phones, pens, and tools. Triple stitching throughout ensures maximum durability.

EV4™

When it comes to facing tough working conditions, your workwear is your first line of defence. That's why we have developed EV4™, a groundbreaking workwear collection designed to provide unparalleled protection in extreme weather.

Workwear

Portwest workwear offers a range of designs and features suitable for many end uses. Quality fabrics and construction techniques are used guaranteeing comfort and safety. Tested to withstand the rigours of everyday wear each garment has been carefully designed and manufactured to ensure optimum quality at the best price.

Standards

EN 14404: 2004 + A1: 2010 Type 2 Level 0 (When used in combination with S156)
